Massage Therapy — Consent for Treatment

Registered Massage Therapy includes assessment and treatment of the soft tissues and joints of the body. Treatment may include Swedish massage, deep tissue, myofascial release, trigger-point work, stretching, hydrotherapy, and home-care advice.

Please read and initial each statement.

_____ I understand the proposed treatment and that I may ask questions at any time.

_____ I understand I may stop or change the treatment at any time (draping, pressure, techniques, or ending the session).

_____ I understand the RMT will explain sensitive areas before treatment and will not treat breasts or genitals.

_____ I understand possible short-term effects can include soreness, mild bruising, or fatigue.

_____ I have disclosed relevant health information, including pregnancy, implants, blood clots, and skin conditions.

_____ I consent to communication with this clinic by phone or email about my appointments.

I voluntarily consent to massage therapy assessment and treatment by a Registered Massage Therapist at PhysioCare Wellness & Rehab.
